

Crossbox

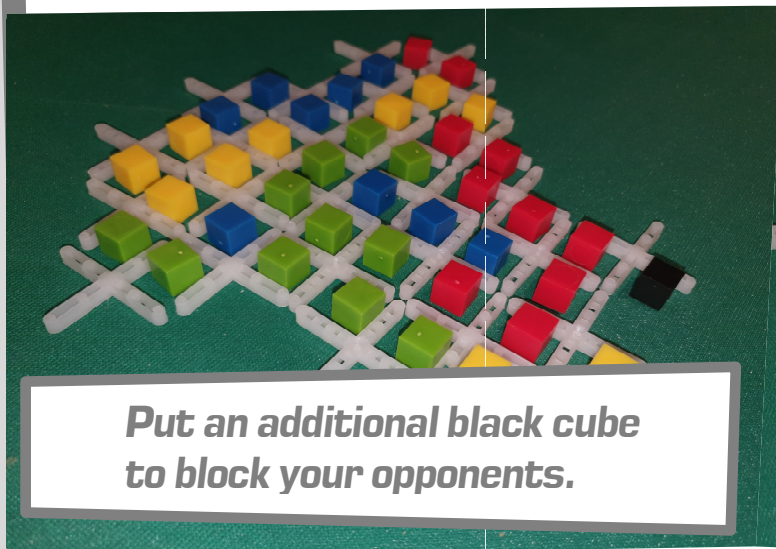

An abstract quick game for 3-6 players. The aim is to put 4 cubes in a row. The board is composed by players during the game square by square.

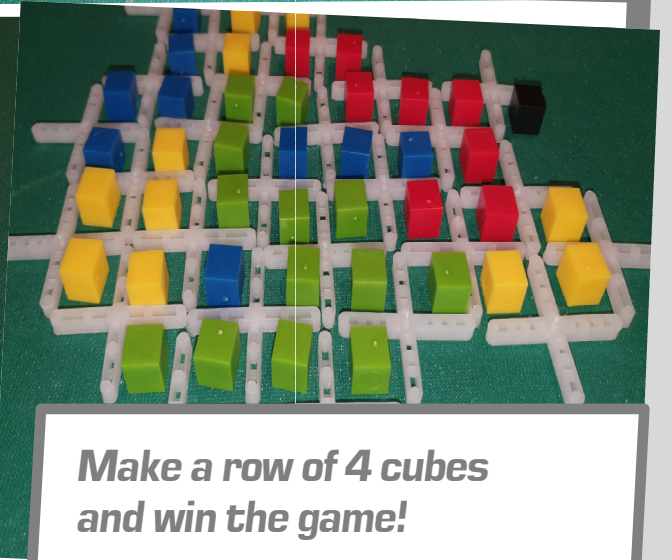

Put a cross to create a new box and put your cube in it

If one of the opponents has 3 cubes in a row you have 2 moves

Put an additional black cube to block your opponents.

Make a row of 4 cubes and win the game!

 2-6  10+  15'

COMPONENTS

- 132 cubes
- 80 crosses
