

COGITO

An abstract card game up to 4 players in which you have to compose gearwheels taking cards from a common set. The more cards are employed to make the gearwheel the more points you get.

Shuffle cards and put 5 cards face up for all players

Combine cards in order to make complete gearwheels

The more gearwheels you complete the more points you get

The game ends when a player makes 3 gearwheels of the same colour

2-4 10+ 20'

COMPONENTS
- 52 cards
